The guide

1. Before you start attending the classes, please check whether you submitted all necessary application documents to the students' office.
2. As soon as all these documents are submitted you will be able to login into the USOSweb system with the same login and password as to the IRK (application) system:

[USOS](#)

3. Then, you can choose the classes and lectures, according to the PROGRAMME (<http://www.archeo.uw.edu.pl/index.php?id=1071>). Please note, that for the OGUN lectures you make payment with tokens which are visible on your account. For any questions concerning the USOSweb system, visit the Welcome Point on the Main Campus
