List of optional classes (2 ECTS each) and list of general humanities lectures (OGUNs) (5 ECTS each) will be announced at the beginning of the academic year 2020/2021

are only taught in the language students are learning (so they will not be taught in English or Polish, and they will not be listed in system as courses taught in English, nonetheless English speaking students can easily attend them). A student has to pass B1 exam to pass the 3rd year of BA, the exam DOES NOT need to be the language learnt during classes. If a student has acquired language certificates and/or has grades obtained outside the University of Warsaw they need to be presented to Director of the Centre for Foreign Language Teaching who will decide if it will suffice in the place of internal university exam.
