

# Migrations and interactions

in the 3rd millennium BC in the glacial lake zone of Central and Eastern Europe

International Online Conference

May 27th 2021

Starts at 10:00 a.m. CET

Organisers:

UNIVERSITY  
OF WARSAW

ГОСУДАРСТВЕННЫЙ  
ЭРМИТАЖ  
The State Hermitage Museum

UNIwersytet  
ŁÓDZKI

INSTITUTE OF HISTORY  
OF THE NATIONAL ACADEMY OF SCIENCES  
OF BELARUS

# THE SCIENTIFIC PROGRAM

**May 27th 2021**

Opening ceremony 10:00 CET at ZOOM

## 1. Social processes

10:20 – 10:40

Aleksandra Cetwińska

Background to the 3rd millenium BC in Europe

## 2. Environment

10:40 – 11:00

Piotr Kittel, Andrey Mazurkevich, Ekaterina

Dolbunova, Mateusz Płóciennik

Human–environment relationships in Serteya in 3<sup>rd</sup> millennium BC

## 3. Material culture

11:00–11:20

Andrey Mazurkevich, Ekaterina Dolbunova, Yolaine Maigrot, Piotr Kittel

Pile–dwelling settlements in the 4th–3rd millennium BC in northwest Russia

11:20–11:40

Tatyana Rineyskaya

Cord imprints on pottery of the 4th–3rd mill BC (Serteya II site, NW Russia)

11:40–12:00

Mariya Eduardovna Polkovnikova

Flint industry of pile–dwelling Serteya II (from underwater excavations 2015–2018)

**12:00–12:20 BREAK WITH HOME–MADE COFFEE**

12:20–12:40

Katarzyna Januszek

Migrations in the Late Neolithic and Early Bronze Age on the example of flint artefacts from sites on the islands of lakes of the Masurian Lake District

13:00–13:20

Katarzyna Kwiatkowska, Dariusz Manasterski

Amber artefacts in 3rd millennium BC in Central and Eastern Europe – an impact index or a migration identifier?

#### 4. Research opportunities

13:20–13:40

Aleksandra Cetwińska, Dariusz Manasterski

Premises for interactions in the 3rd millennium BC in the postglacial lake zone of Central and Eastern European Plains from the perspective of north-eastern Poland

13:40–14:00

Adam Wawrusiewicz

Micro- and macroregional mobility of sub-Neolithic societies from the interfluvium of Narew, Bug and middle Vistula rivers

14:00–14:20

Maxim Charniauski

Belarusian Lake District in the 3rd millennium BC. The current state of the study

14:20–14:40

Ekaterina Dolbunova, Yolaine Maigrot, Maxime Danger, Andrey Mazurkevich, Piotr Kittel

Aquatic resources and routes exploitation in the Middle-Late Neolithic in NW Russia

#### 5. Research limitations

14:40–15:00

Aleksandra Cetwińska, Dariusz Manasterski

Possibilities and limits in archaeometry studies. Polish case

**15:00–15:30 DISCUSSION**

## **PARTICIPANTS**

**Aleksandra Cetwińska** (The Antiquity of Southeastern Europe Research Center)  
aleksandra.cetwińska@uw.edu.pl

**Maxim Charniauski** (Head of the Department of Archaeology of prehistoric society of the Institute of history of NAS of Belarus)  
maxchar@gmail.com

**Maxime Danger** (Université de Paris 1 Panthéon-Sorbonne)

**Ekaterina Dolbunova** (The State Hermitage Museum)  
katjer@mail.ru

**Katarzyna Januszek** (Faculty of Archaeology, University of Warsaw)  
katarzyna.januszek@uw.edu.pl

**Piotr Kittel** (University of Lodz)  
piotr.kittel@geo.uni.lodz.pl

**Katarzyna Kwiatkowska** (Polish Academy of Sciences Museum of the Earth in Warsaw)  
katarzyna.kwiatkowska@mz.pan.pl

**Yolaine Maigrot** (French National Centre for Scientific Research, Paris)  
Yolaine.MAIGROT@cncrs.fr

**Dariusz Manasterski** (Faculty of Archaeology, University of Warsaw)  
d.manasterski@uw.edu.pl

**Andrey Mazurkevich** (The State Hermitage Museum)  
a-mazurkevich@mail.ru

**Mateusz Płóciennik** (University of Lodz)  
mplociennik10@outlook.com

**Mariya Eduardovna Polkovnikova** (The State Hermitage Museum) polkovmar@mail.ru

**Tatyana Rineyskaya** (The State Hermitage Museum)  
mori.rin@mail.ru

**Adam Wawrusiewicz** (Podlachian Museum in Białystok) adamwawrusiewicz@op.pl
