

Dear Student,

The University of Warsaw is offering an **unpaid 40-hour intensive Polish language course online**.

The **course is aimed at preparing international students for living, learning, working and enjoying living** in Poland. Participants of the course will explore at the elementary level secrets of the Polish language and acquire knowledge of Polish culture essential to reside in Poland, eg. how to buy a ticket, order a coffee or lunch, how to find your way around UW and dealing with basic affairs and phrases essential for social life in Poland. This is a unique option to meet colleagues from all over the world before the start of the classes and feel confident with Polish before coming to University.

The course will take place online, so now you can learn Polish sitting comfortably on your sofa!

In this course, intended for students of last 4 semesters at the University of Warsaw, we offer:

- free participation
- **40 hours of Polish language at basic level**
- professional and passionate teaching team
- online classes
- great atmosphere in international environment
